info@centralheating.co.nz

Phone No. (if applicable):

03 357 1233

NZBN (if applicable):

9429036621231

Relevant Building Code clauses:

Clause B2 DURABILITY:

Performance B2.3.1 (a)

Clause F2 HAZARDOUS BUILDING MATERIALS:

Performance F2.3.1.

Clause G10 PIPED SERVICES:

Performance G10.3.1 (a).

Statement on how the building product is expected to contribute to compliance:

Clause B2 DURABILITY:

Performance B2.3.1 (a) 5 years. Pressure gauges are easy to access and replace if installed in accordance with the instructions and product requirements.

Clause F2 HAZARDOUS BUILDING MATERIALS:

Performance F2.3.1. Pressure gauges meet this requirement and do not present a health hazard to people.

Clause G10 PIPED SERVICES:

Performance G10.3.1 (a). heating system pressure gauges are supplied by a non-potable piping system, which contributes to meeting this requirement when used in heating systems.

- *options for compliance set out in section 19 of the Act (regulations, acceptable solution, verification method)*
- *standard or technical document that describes the performance of the building product or the relevant specifications to which the building product was manufactured.*
- *physical properties of the building product*
- *how the building product is intended to be used.*

**Limitations on the use of the building product:**

Please refer to the Pressure gauge product [specification](#) provided on the Central Heating NZ website.  
 The hot water heating system must not be connected to the potable water supply system.  
 Pressure gauges are not suitable for potable water supply.

**Design requirements that would support the use of the building product:**

The heating system design, including the layout of the pipe, must be carried out by a suitably qualified designer.  
 Please refer to the Pressure gauge product specification provided on the Central Heating NZ website.

**Installation requirements:**

Please refer to the Pressure gauge product specification provided on the Central Heating NZ website.

**Maintenance requirements:**

Maintenance or replacement shall be carried out by a suitable qualified professional.

Is the building product/building product line subject to warning or ban under section 26:

Yes  No
